

Notice for no In-person Gatherings January 4, 2022

Greetings and happy and healthy new year to everyone!

Due to the Lakeville COA and Town Buildings closing to open meetings until further notice, and the rise of local Covid cases in the community and in many of our families, we have decided to suspend in-person worship and meetings for at least the next two or three weeks. Hospitals are once again being stretched beyond capacity, and medical personnel and first responders are exhausted and overwhelmed. Pastor Carol will be recording services and the link will be sent out via email in time for Sunday viewing. We want to take steps to keep everyone as safe as possible and to show our care for one another through these simple precautions. Stay tuned.

Peace!
